ACTIVITIES AND LEADERSHIP EXPERIENCE

- **Hope Clinic**

Austin, TX (February 2022-Present)

Volunteer

- Worked with members of underserved communities in Austin to help provide them free healthcare alongside a healthcare team
- Some of the diverse communities I worked with included those African American origin, Hispanic individuals, Afghan refugees, Nepalese immigrants, and other underserved groups
- Assisted in various aspects of clinic such as patient registration, triage, and patient checkout while demonstrating compassion and willingness to learn

- **Court Appointed Special Advocates**

Austin, TX (November 2021-Present)

Volunteer

- Appointed by family court judge to work with abused and neglected children
- Assigned on a case to work directly with a child and listened to the child's needs
- Served as a constant in figure in the role of child I worked with, and provided emotional and social support
- Served as the child's voice in helping the court decide the child's placement
- Complete court reports to present in court
- Took detailed notes of encounters with child and parties relevant for the child's case
- Worked in the best interests of the child

- **Student Society for Global Health at UTHealth Austin Campus**

Austin, TX (October 2021-Present)

Vice President of Operations

- Promoted to Vice President of Operations in February 2022
- Attended weekly officer meetings and general meetings
- Invited speakers from the field of public health to come speak to UTHealth students
- Assisted with managing social media accounts and newsletter

- Helped plan socials and found global health seminars for students to attend
- Assisted in finding public health volunteering opportunities for students at UTHealth Austin Campus
- **Austin Allergy and Asthma Clinic**
Austin, TX (September 2021-Present)
Medical Assistant
 - Administered subcutaneous immunotherapy shots and sublingual immunotherapy drops to clinic patients
 - Obtained patient vital signs using blood pressure machines, scales, and pulse oximeters
 - Assisted with administrative tasks including medical chart filing and scanning, prescription filling, and appointment scheduling
 - Conducted allergy skin tests for food and environmental allergens
 - Conducted Pulmonary Function Tests with a spirometer for clinic patients
 - Assisted in training new medical assistants
- **UT Digestive Health Institute**
Austin, TX (May 2021-Present)
Graduate Researcher
 - Worked under the guidance of Dr. Linda “Annie” Feagins and a healthcare team on an investigation studying the connection between the diets of inflammatory bowel disease (IBD) patients and their clinical outcomes. Abstract accepted at Digestive Disease Week conference
 - Responsible for attaining consent and contacting patients in clinic and over the phone to help surveys that pertain to their dietary habits
 - Responsible for conducting chart review and collecting data using Athena and COMPASS
 - Assisted with basic data analysis
 - Working on an additional project that investigating inflammatory bowel disease and malnutrition
- **Texas Crohn’s and Colitis Initiative**
Austin, TX (January 2018-Present)
President and Co-Founder
 - Hosted meetings where we discussed issues regarding IBD and the stigma behind chronic illness
 - Invited speakers to help share their experiences with IBD, along with physicians to speak to our student body about the pathway into pre-health professions
 - Fundraised over \$9000 for Crohn’s and Colitis Foundation of America through their Spin4Cure and Takesteps events to help support IBD patients
 - Established virtual IBD patient support groups for college students across Texas
 - Established the IBD Chronicles Committee that posts content on Tik Tok to tackle stigma behind chronic illness. Expanding to Youtube soon
 - Established Research Committee to help undergraduates find research at UT Austin
 - Recognized at CCFA Honored Hero for Austin Takesteps Walk:
- **BCH 369 Teaching Team**
Austin, TX (January 2019-July 2021)
Teaching Specialist
 - Undergraduate teaching assistant for BCH 369 (Fundamentals of Biochemistry I) taught by Dr. Gail Grabner at the University of Texas at Austin
 - Held weekly office hours, exam reviews, and attended lecture in order to enhance the learning environment of the students
 - Attained an average 4.8 out of 5 review for my services
 - Promoted to the teaching specialist position during the Summer 2021 semester, and my responsibilities included teaching lectures when Dr. Grabner was not available

- **BIO 311C Teaching Team**

Austin, TX (August 2018-May 2021)

Peer Learning Assistant

- Peer Learning Assistant for BIO 311C (Introductory to Biology I) taught by Dr. Sata Sathasivan at the University of Texas at Austin
- Attended lecture, held weekly office hours, and exam reviews to answer any questions students have about course material to help them succeed in this course
- Served as a mentor to freshman students by advising them with course planning and helping them decide what organizations to get involved with

- **Dell Medical School**

Austin, TX (January 2018-May 2021)

Undergraduate Researcher and Co-Investigator

- Worked under the guidance of Dr. Marisa Izaguirre and Dr. Sujal Rangwala in collaboration with Dell Medical School gastroenterology team on a national research initiative called ImproveCareNow (ICN), which is designed to better the care of patients with inflammatory bowel disease by creating a patient registry
- Entered data into the ICN and analyzing data using programming language R
- Worked on a project aiming to find an ideal biologic and non-biologic concomitant therapy for treating inflammatory bowel disease
- Presented at the Capitol of Texas Undergraduate Research Conference (2018, 2019) and the American Association for Advancement of Science Annual Meeting (2019, 2020)

- **UT Austin Student Government (SG)**

Austin, TX (March 2020-April 2021)

Natural Sciences Representative

- Attended weekly SG Assembly meetings, where I debated and voted on various pieces of legislature to help support the student body
- Served on the Financial Affairs Committee, where I assisted with delegating funds to student organizations and SG agencies
- Served on the Legislative Policy Committee, where I helped revise pieces of legislature to make them presentable to the SG Assembly

- **Texas Punjabi Cultural Association**

Austin, TX (May 2019-April 2021)

Vice President

- Hosted Punjabi Rodeo, a cross cultural dance festival featuring Texas folk dance and bhangra
- Coordinated biweekly socials to create a community and sense of belonging amongst members of our organization belonging to East and West Punjab
- Facilitated biweekly general meetings where we discussed political and current issues affecting the people of Punjab

- **UT Sure Walk**

Austin, TX (August 2018-April 2021)

Volunteer Coordinator

- Helped coordinate volunteers to help transported students home safely at night, and raised awareness about interpersonal violence at the University of Texas at Austin

- **Texas School for Blind and Visually Impaired**

Austin, TX (September 2019-March 2020)

Volunteer

- Assisted teachers with teaching students in physical education and reading courses
- Provided one on one mentorship and emotional support to students

- **Baylor Scott & White Medical Center Plano**

Plano, TX (April 2017-August 2019)
